

# Buzzwing Sales Kit (2024)

Dear Buzzwing Member,

We have provided you with a useful SalesKit to help assist and get you started. These items are suggestions and not set in stone. The key thing to remember is to make sure you insert your unique AFFILIATE LINK and/or QR CODE in every marketing communication. One of our key Brand Values/ Guidelines is a very subtle, organic approach based around ANTI-SPAM with a targeted, personal touch. The idea is to not alienate platform owners, group owners and gatekeepers at any point so as to respectfully stay under the radar. An example of this would be to Email opted in lists, and direct message use rather than posts to public feed. We wish you all the very best in your efforts.
